Hi Liza, nothing else right now, other than a question on security that I received. Since it's in a State facility (and the CPUC is skilled at security for meetings), I'm assuming all that will be handled...

Thx!

Jane

Jane,

Thanks for checking in. I'm sure I'm going to need help, but don't have anything specific right now. I know I need to follow-up with Paul on my end regarding the Governor request and sending out the invitation letter to Chairman Hersman. Anything else urgent on my list? If not, then let's plan to catch-up on this on Friday. I plan on making the status call.

Best,

Liza

Hello Liza – I know Kim is away for a couple of weeks --- is there any additional help you need?

Thx

Jane

Hi Jane and Laura,

Do we have other names for the panel members? This is what we are ready to send out in addition to the letter to Ms. Hersman. As I mentioned, today is my last day so please work with Liza and Irma on this.

Thanks!

Kim

Hi Irma, here are the names of the people who need the invitation to speak. You can send by email if you don't have a physical address.

Thanks for your help!
