Hooray on Hersman!

Ok – PG&E can invite Cpt Sullenberger formally. I will send him an email and confirm his attendance, and that we are working on the arrangements.

Do we know if the emails to the other panelists went out? I think they were going out under either the General's or Paul's email?

Thank you,

Jane

I don't believe we have an email for Hersman as it seems the protocol is rather formal at NTSB. But could you pdf it to us? Perhaps Jim Hall could use it in outreach to her.

I saw Paul this afternoon and I know he's uncomfortable with the CPUC inviting Sullenberger. It may be easiest for us to handle that. I'm copying Jane for counsel.

Thanks

Laura,

The letter of invitation for Chairman Hersman went out (hard copy). Do we also need to e-mail it? If so, would you happen to have her e-mail address?

I'm still waiting to hear back from Paul on Sullenberger letter. In case he wants to mail it, do you happen to have his mailing address?

Thanks,

Liza
