Subject: CPUC eNewsletter - April 2013

Having problems seeing this email [Click Here](#)

Welcome to the April 2013 edition of the California Public Utilities Commission's (CPUC) eNewsletter, where you'll find news on utility procurement from diverse suppliers, ensuring energy supplies for San Diego, and more!

Utility Procurement From Diverse Suppliers Hits New Record

Companies participating in the CPUC's Supplier Diversity Program achieved a new record, procuring approximately \$8 billion in goods and services from women, minority, and disabled veteran-owned business enterprises. In addition, the largest utilities all procured more than 36 percent from diverse firms, with Verizon achieving a record 50.44 percent.
