Yeah, having Kim here this week was a savior. She really helped bring some key decisions to closure... Thanks for all the hard work you are doing on that.

Perfect! Thanks so much, and safe travels.

I think we are finally rocking and rolling on the symposium . . .

Thanks for your quick reply! Now I recall you said you were out next week. March 26 looks good for Jane. Shall we try 3:00 that day?

Laura,

Next week is no good because I'm travelling for most of it. How about 25th or the 26th? My calendar is open. I look forward to meeting Jane properly.

Cheers,

Liza

Liza

I have been reluctant to ask because I know you are swamped, but I really want you to meet Jane Yura, our VP of Gas Ops Standards and Policies. You need to know her, and we have a couple safety-related issues we'd like to go over with you – separate from SB OIIs!

Any chance you could carve out time for lunch or just an hour to talk next Thursday or Friday?

Thanks (and hang in there!)

The first few weeks are always the most overwhelming.

Laura
