Heard from Hagan today that Kim Malcolm is going to the SF PUC in April.

Am wondering if she is going to replace the CCA guy who is leaving there?

I'm not – Brian and Tom will be there. I only have the GHG compressor station issue and I'm hoping for a quick consent vote on that.

Assume you'll have dinner with Mike et al tomorrow night?

Ate you going to San Diego? Terrie is not, bummer. I am already here. Lunch should be good for me Monday, regardless.

Prognosis for this? Still looking good, I hope!

I assume you both are headed to SoCal tomorrow. Not sure we will possibly have enough time on Monday to catch up sufficiently . . .
