

THE Crystal Ballroom

The magnificent Crystal Ballroom, on the eleventh floor of the Marines' Memorial Club & Hotel, exudes old San Francisco charm. Lovely crystal chandeliers grace the seventeen-foot ceiling, accentuating elaborate stenciling and detailing. The Crystal Ballroom is ideal for dances, receptions, symposiums and lectures. This room is appropriate for even the most formal occasions for groups of fifty to two hundred and fifty people. High-speed Internet or wireless connectivity is available throughout the space, and audiovisual equipment is available upon request.
