Mr. Hagan,

It was a pleasure speaking with you today by telephone. The climate/culture symposium that you are putting together on 7-8 May sounds like a worthwhile project. Thank you for considering me to participate in it.

In response to your request, I am providing you with the following information:

- * my short bio
- * my curriculum vitae
- * an overview of Advanced Survey Design, LLC (website: AdvancedSurveyDesign.com)

I look forward to working with you.

V/r,

Bob Figlock
