Very funny!

By the time this thing comes out, there is likely to be nothing to talk about, as all things worth saying had to come out....arghhhh!

Have a nice time in Texas!

Do you sort of think this is a bad movie? I think we should hold off, simply because I want you to be able to speak freely. So let's wait til the damn paper comes out and reschedule. I'm headed to Texas. We have to work Monday!

Have a good weekend and ill watch for white smoke.

It's a long story, but ED had some problems with the paper, and so now we are taking it in a different direction. I'll be taking the other direction in the future, but for now, we're going to narrow our focus. If you'd like to meet on Tuesday, I'm still available, but if you'd like to hold

off until the paper is out, I understand. At this point, I'd say we're looking at the end of April.

Let me know what you'd like to do! And hope you have a great long weekend!
