Laura,

Doesn't it say 3-4pm in the invite I just sent out?

Thanks,

Franz – It is showing up as 2:30 just because I reserved the phone line for extra time so it wouldn't get crowded at 3:00.

You'll probably want to make clear to folks that it's really 3-4. Sorry!

Folks,

We'd like to schedule a check-in conference call sometime this week or next to see how things are moving along in terms of the preliminary information portion of the proceeding.

Please let me know some preferred days and times so I can set up a good time. We might also have Jennifer Kalafut, advisor to the presiding Commissioner, on the call.

Also, we're expecting a ARB/OEHHA presentation at the first workshop, tentatively scheduled for March 27 or so (on the same day as the prehearing conference) to talk about human safety concerns, and we'd like a similar presentation by the utilities and open up the floor to Q&A. We can discuss the details on the call, but this is the plan for now.

PG&E will be hosting this call. The call in number is [Redacted] meeting number [Redacted] dial * before and after the meeting number)

Please let me know if you have any questions or comments.

Thanks,

Franz
