Subject: Following up on MEA's outstanding data requests to PG&E

Dear Sidney,

Just writing to check in with you regarding the MEA data request issues we discussed last week. I presume you saw Elizabeth Kelley's email and attached memorandum yesterday. I thought it did a fairly good job of laying out the issues as she sees them. Would you be able to coordinate with your Legal team to produce a short, similar, responsive memorandum by the end of the week? This would really help us here frame up both sides of the issue and facilitate resolution of this dispute.

Also, I presume you saw Dawn's email from this morning in which she proposed several times to meet and confer regarding outstanding IT issues. I would strongly encourage you to respond to her email and find a time this week both sides can get together.

Thanks,

Will Maguire
