Yeah, there was a lot of neg stuff about him, but I was also amazed at how much positive there was as well. More coverage than I'd expect in general. Everyone said that they expected the social programs to roll back some at least. The Navajo parallel is always on my mind, our leaders want to be like him, but there's not nearly the amount of money or cheap opportunities for bread and circuses.

Do I seem terse? Blame the thumb keyboard.
