Michael --

I am sorry to be tardy -- I've been on the road all week. I'll find the chart for you when I get back to town Sunday, if that's soon enough.

Have a good weekend!

Hi Sid

Hope you are doing well. Following up on a request from when we talked the other day, can I please get a copy of the new EE/demand side management org chart? Want to understand the new structure now that the forced reductions are in place.

Thanks

Michael
