Liza,

I was just about to hit send on an email to you as our Gas lead has a conflict on Tuesday and we were hoping to reschedule. Our plan is to have leads from Gas Ops, Electric Ops and Energy Supply and our GRC lead at the meeting. We were hoping to reschedule to the week of 4/1 or 4/8 given conflicts next week with people being out of the office. Would it be better for me to send you some options or are there days those weeks that would be better for your schedule?

Thanks,
Meredith
