Yes, on Monday Damon Franz forwarded a letter by Energy Division Director Edward Randolph that approved the scope of work and gave the green light to move forward. See attached. The latest Word doc I sent to Doug is what is appended to this letter.

Hi Jason,

Just wanted to check – does this mean from CPUC's perspective the RFP is “good to go”?

Thanks much.

Hi [Reda],

Attached is the final draft RFP. My only edits are to correct typos and to reinsert a section that was inadvertently deleted. Apologies if any formatting is off; I'm working from home.

Thanks

Jason

Jason,

Attached is the latest version. Let me know if you have any questions, concerns or comments.

Thanks,
