Subject:

To accommodate the delay with the Bill Impact Calculators and the expected delivery of the preliminary Customer Survey Results, we are revising the procedural schedule to extend the due date for Rate Design Proposals to May 15, 2013.

- **Bill Impact Calculators – Final Versions:** “Final” versions of the bill impact calculators were distributed by March 19, as predicted in the Ruling Requesting Rate Design Proposals. New versions of the calculators with improved printing capabilities were distributed on March 22, 2013 (SDG&E, PG&E) and March 25, 2013 (SCE). No substantive changes were made to the calculators.
- **Customer Survey Results:** We have learned from the IOUs that the final Customer Survey Results will not be available until mid-May, but that preliminary results will be available as early as mid-April.

We hope that additional changes to the schedule will not be necessary, but we realize that putting together proposals is a time-consuming process and that parts of the process are dependent on outside resources such as Bill Impact Calculators and information from the IOUs.

The Procedural Schedule is revised as follows:

<b>Event</b>	<b>Prior Date</b>	<b>Revised Date</b>
Ruling requesting rate design proposals	March 19, 2013	March 19, 2013
Rate Design Proposals served; Last day to file a motion requesting evidentiary hearings.	May 1, 2015	May 15, 2015
Opening Comments	June 3, 2013	June 17, 2013
Reply Comments	June 17, 2013	June 28, 2013
Briefing Cycle	July 2013	July 2013
Proposed Decision issued	September 2013	September 2013

Docket Office: Please note schedule changes above.

Jeanne M. McKinney
