Subject: April 2 Proposed Meeting Date

Dear Utilities & Consumers Working Group,
I propose we take advantage of the April 2 Senate Utilities Committee meeting by scheduling a meeting in Sacramento of the Utilities & Consumers Working Group to further explore potential areas of agreement on residential rate design policy, since I believe most of us had already planned to be in the Capitol that day.

How about we plan to meet on April 2 at 2:00? I will get back to you on a location in walking distance of the Capitol.

Thanks,

Mark
