Subject: 2012 ClimateSmart Annual Report

Dear Mr. Randolph:

Commission Resolution G-3429, dated December 15, 2011, authorized Pacific Gas and Electric Company (PG&E) to execute a Servicing Agreement between PG&E and the ClimateSmart Charity and directed PG&E to submit an unredacted annual report through an informational - only filing. This report is due on March 15, 2013 and annually thereafter until all the procured GHG emission reduction requirements have been delivered, including those procured by PG&E to meet the performance guarantee, as specified in Decision 06-12-032.

In compliance with Ordering Paragraph 14, PG&E hereby submits the 2012 ClimateSmart Annual report. Due to the file size of the appendices (7MB), an electronic version of the 2012 Annual Report is attached. A hard copy of the annual report and the appendices is also being hand delivered to the Commission today.
