Subject: RE: CDA system?

Aloke,

Just left you a voice mail. We can set something up on CDA. Hoping we can do it in a couple of weeks, depending on everyone's schedule.

Aside from what you listed below, do you have any other specific questions about PG&E's CDA proposal?

I will be out of the office from March 29 through April 5. Please cc: Catherine Tarasova on any emails.

Thanks,
David

Subject: CDA system?

Hi Sid:

I have been wanting to do this for a while but kept deferring it. I would like to request a briefing on the Customer Data Access system (pending the Decision) in terms of current thoughts on what capabilities this system is intended to support, mechanics of customer authorization, type of info available, etc. Can we arrange something over the next few weeks.

Aloke
