Hi Ed,

Would you like to provide us with some brief biographical information about yourself, in the role of a non-voting liaison to the Board of Directors, (e.g., full name, title, affiliation, and a short biography) for the CES-21 Project? We'd like to post this on the CES-21 website (<https://ces21.llnl.gov/>) in advance of the March 19 Board meeting. If you rather that we only list your name, title, and affiliation, that works as well.

Please let me know if you have any questions.

Thanks,
