Subject: CPUC Safety Symposium Panel

Dear Commissioner Florio;

My name is [Redacted] and I work with Hall and Associates, a group consulting to PG&E on Safety Culture. A portion of this responsibility includes supporting the effort to successfully complete the May 7/8th CPUC Safety Symposium which is entitled "Forging a New Vision of Safety in California".

I have attached some detailed information to assist your preparation as a panelist.

If I may be of any assistance to you or your staff as you prepare please feel free to contact me. I have included phone and email information in the attachment.

Thank you and I look forward to meeting you in San Francisco.
