Subject: Re: Symposium prep?

I will check with Nuria - but I think he is in the LA office Tues and maybe - if Nuria tells us OK - sneak in 15 mins of a video conference
If that doesn't work we could do it by phone - or wait till he is in SF for the 5/8 meeting

Subject: Symposium prep?

Carol

Do you want to get together or just have a phone call to talk about Mike's potential remarks at the Safety Symposium on May 7? I know that Hagan is out all next week. I'm attaching the agenda, and can walk you through how I think that part of the afternoon will work. Maybe 15 minutes would do it?

I can't recall when you are leaving but I want to be sure to make it happen before you do!

Also Mike needs to get registered (link in Hagan's letter) and indicate whether he will go to the dinner Tuesday night.

Thanks

Laura
