Thank you so much for the invitation. Unfortunately, I will not be able to attend as I will be participating in a safety congress for my employees that is taking place at the same time.

Thanks again and I will look forward to following up with my colleagues who will be attending the Safety Symposium.

Subject: CPUC Natural Gas Safety Symposium Invitation and Agenda

Hello,

Attached please find an invitation to a Natural Gas Safety Symposium from Brigadier General (CA) Jack Hagan, Director of the California Public Utilities Commission's Safety and Enforcement Division.

The Symposium, titled *Forging a New Vision of Safety in California*, is May 7-8, 2013, in San Francisco. The attached letter of invitation and agenda provide more information, including how to register.

Thank you, and please let me know if you have any questions.
