Hi Terrie,

I have canceled **CPUC10E164** for Linda Limberg.

Her other registration CPUC10E106 remains and is still in the system.

Hi Redacted !

This has been taken care of.

Have a great day all!

Terrie:

Sorry to bother you, I tried to cancel this reservation in the system but it wouldn't let me. Then I called your voice mail but it doesn't give an option (a name) of who I can contact in your absence so I'm sending you this email.

I wasn't aware that my boss already registered for the Safety Symposium in May and I went ahead and registered her again. Please cancel registration **CPUC10E164** for Linda Limberg of PG&E… but we need to make sure she stays on the RSVP list as she is attending both the symposium and dinner.

Thank you so very much!
