You might be right. I will send the General a note and see if I can be involved!

It may be that Hagan will want to handle the briefing with Mike.

Carol

Do you want to get together or just have a phone call to talk about Mike's potential remarks at the Safety Symposium on May 7? I know that Hagan is out all next week. I'm attaching the agenda, and can walk you through how I think that part of the afternoon will work. Maybe 15 minutes would do it?

I can't recall when you are leaving but I want to be sure to make it happen before you do!

Also Mike needs to get registered (link in Hagan's letter) and indicate whether he will go to the dinner Tuesday night.

Thanks

Laura
