Are you still in the office? I can call you re: press at the Symposium, if so. If not, call me on Monday.

Here's who to invite to the run-through aside from Jack and Liza (I don't know if Jack/Liza will be inviting others):

Can you give me the emails of the folks you think should come to this so I can just invite them?
Thanks!

You should invite Robert Stanford instead of me. And perhaps the audio/visual folks from the Milton Marks auditorium. One of our Information Officers will definitely be in attendance, at least for the first part of each day, to assist any reporters who may show up. Do you think it would be beneficial for that person to attend this dry run with you?
