Hmmm. I think Bob Chipevich will handle this. I know they talked with him. We will follow up. This is one way to get confirmations! :)

Hi Carl,  
I apologize about this. I am looping in Liza Malashenko from our Safety and Enforcement Division and Laura Doll from PG&E - they are working on the agenda and can shed some light on what's going on.

Terrie

Hi Terrie,  
Thanks for the invite to this Symposium. I see from the agenda that I am listed as a speaker. I did have one brief conversation a month ago or so about that possibility, but have heard nothing else since. Will more information be provided soon about expectations, format, etc?

Thanks

Carl

Hello,

Attached please find an invitation to a Natural Gas Safety Symposium from Brigadier General (CA) Jack Hagan, Director of the California Public Utilities Commission's Safety and Enforcement Division.

The Symposium, titled *Forging a New Vision of Safety in California*, is May 7-8, 2013, in San Francisco. The attached letter of invitation and agenda provide more information, including how to register.

Thank you, and please let me know if you have any questions.
