Subject: Hi

Hey there,

So Autumn and I are now living in the [Redacted] apartments. I think it is called [Redacted]. Anyway, we love living in a luxurious complex with a doorman and other amenities. It is expensive, though. We want to live there forever, if we can or rather if Autumn made more money or invented something.

We're constantly looking for a place to buy, but in the meantime love walking along the Embarcadero. You should come by and check out our tiny – very tiny – place on your way home sometime.

How is life with you? How is Alex and Sara?
