Hi,
Brian doesn't share... :-)

Yes, we sold our house for \$855K which is a really good price in that we bought it for \$699K 4 years ago. However, we are having difficulty finding a better place and in the meantime are staying at [Redacted] while we look for a new place that we can afford. We can't really afford to live at [Redacted] for too long, but for now it is amazing!!

It is expensive, though. We want to live there forever, if we can or rather if Autumn made more money or invented something.
