Subject: Slides for next Tuesday's CSI-Thermal workshop -- R.12-11-005

Good morning.

I am attaching to this email a slide deck prepared by the CSI-Thermal program administrators, containing their proposals regarding the new PBI payment mechanism (for new technologies) and the new solar pools program. These proposals will be discussed at a workshop to be held at the CPUC on April 23. The workshop will start at 10:00 a.m. and will be held at the Golden Gate Room at the CPUC at 505 Van Ness Avenue in San Francisco.
