Subject: RE: Slide Deck

Hmm, when I told him where the plant is located relative to SLO, he almost changed his mind! He's a business school guy, to the core. Another chip off the old block, eh? SLO has an excellent program, funded by the guy who founded Kinko's. A long drive from anywhere, but I guess I could always catch a ride down there on the corporate jet. [for anyone spying on my email, that was a JOKE!]
