Subject: RE: RROIR Customer Survey - Key Findings Webinars Follow-up

Emily,

I also echo the thanks for providing responses to some of the questions. Lee-Whei brings up a good point. For those not on the call and for consistency with the other written responses provided it would be very helpful to all parties and the Energy Division if the IOUs could provide written answers to the questions "Answered in 4/19 Webinar" as well as those additional questions asked during the webinar. We very much appreciate it.

Thank you.

Emily,

Thank you for sending some of the responses to the questions.

I recommend that PG&E also provide written responses to the questions that PG&E stated
“Answered in 4/19 Webinar”.

There were parties who were not able to attend that webinar would not have heard the
answers for those questions at the Webinar.

In addition, we were also having some difficulty in hearing all the answers PG&E provided on
that day.

Thank you for your consideration.

Subject: RE: RROIR Customer Survey - Key Findings Webinars Follow-up

Thank you for attending our Webinar on Friday where we addressed questions related to the RROIR Customers Survey Key Findings that were presented the previous Tuesday.

Attached is the revised list of questions, with answers to the questions we did not have time to address, and some of the additional questions that were discussed.

Also attached are the climate zone cross-tabs that were recently completed. The climate zones are collapsed into "regions" in order to have large enough sample size for comparison.

Please let me know if you have any questions.

Thanks
