Subject: RE: Invitation letter from General Hagan

Hi,

I have made a few changes to the invitation letter and the agenda. Most importantly, we were able to get the Milton Marks auditorium for 6/8! Also, I understood that the series of symposiums would be on all industries we regulate, not just utilities. I therefore changed that part of the letter as well.

Once we get this on the official CPUC letterhead we should be ready to go!

Thanks,

Liza

PS: On the agenda, should we say "sponsored" by the CPUC or "hosted"?

Liza and Terrie

Hope you both are enjoying a day away from the office and perhaps NOT checking emails every 5 minutes. (Although I'm guessing Terrie is!)

Attached are just a few small edits to the "final" version of the letter that General Hagan sent to me on Friday. We need to get this letter on CPUC letterhead and I am hoping that Liza can make that happen asap tomorrow morning so we can push send by noon.

Or at least that's my dream . . .

Terrie,

I assume that you will publish some kind of low-key notice about this at some point because we may have more than 2 Commissioners there?

I'm also attaching the current version of the agenda too.

Laura
