Subject: RE: latest versions of invitation letter (with track changes) and agenda

I will send a subtly designed agenda tomorrow as soon as I can. Perhaps [Redacted] can pull a couple of colors from it to add to the registration. I can put her in touch with our graphic designer too.

Perhaps the letter could be on letterhead and then some clever (but easy and existent) CPUC graphic could be added to the agenda? ☺

Do I have too much time on my hands?

Adding [Redacted] to this email chain since she is the brilliant developer of the registration website!

Thanks
