Friday will be good for lunch. If available, I'll also invite Pearlie for the Friday lunch.
Effective today Dave Peck transferred to Electric Pricing branch.
April 17 will work.
See you on Friday at PG&E at 11:30 .

Ignoring your response, how about lunch this Friday with a couple folks (including me) who can give you a tiny preview of the GTS case? We want your thoughts about how best to provide info, etc. (And just holding off a couple years is not an option . . .)

And as for an evening event, likely to include Erik (with a k), I like April 17. Still available??

Thanks
Laura

Another GRC - What did I ever do to you?

Were you thinking - lunch or after work? I have more availability for lunch in the near term.
For lunch - This Friday March 29, Friday April 5 or 12; Thursday April 11 or 18; Wednesday April 3, 10 or 17 will work for me.

Evening - April 17 or 18 is best.

After that my time is limited until May 3 due to professional commitments related to a certain GRC which is eating up large portions of my time mainly due to the enormous sum of money being requested by this unnamed utility that is located on Beale St in San Francisco.

I'm not, but its coming anyway.

We want to come talk to you about high level stuff re GTS case. We will file next fall.

And Erik and I want to have a drink! We missed Q1 apparently.

How are you?

Can you give me a couple dates?

Thanks

Laura
