Subject: Symposium update

Today's core group on the 1:30 call got to hear the great news from Peter that Tom Kemp from Alaska Air is confirmed for the first session! Big relief. Thanks Peter.

The other good news is that the invitations (sent yesterday by the CPUC) appear to have successfully reached everybody who was on the list. ***Please remember to register yourselves on the very easy system embedded in the invitation letter. Also make your hotel reservations as there is limited availability in SF that week.***

Still to come:

1. Confirmation of all **moderators**. Likely to be Senator Mark Leno for Panel 1 and Elizabeth Ashford of the Governor's Office for Panel 2. CPUC needs to finalize that. [Paul Clanon is confirmed for Panel 3.] We have tentative confirmation of Assemblymember Joan Buchanan to introduce Captain Sullenberger at the Tuesday dinner. (Sullenberger lives in her district.)
2. Panel issues/questions. Laura is trying to coordinate with CPUC re Panel 3. Bob Chipevich will contact his panel and lay out format, i.e., 10 min introductory comments followed by moderator and audience questions.
3. Agenda. We talked about some changes in Day 1 to allow more time for Panel 1. Laura will provide a more detailed version of the working agenda.
4. Logistics. We are waiting for the contract from the Marines' Memorial Club to finalize the dinner arrangements. We know we have the space, just need to pay the deposit and sign the contract.

5. Monday dinner with Hagan and utility execs. We know who's coming, but we don't have the location yet. Laura is working on it.

More next week!

Thanks everyone.

Laura
