Subject: RE: CPUC Natural Gas Safety Symposium Invitation and Agenda

Thanks Terrie,
No big deal, but I need to make travel arrangements, and had not heard anything about this until I received the invite from you.

Thanks

Carl

Hi Carl,
I apologize about this. I am looping in Liza Malashenko from our Safety and Enforcement Division and Laura Doll from PG&E - they are working on the agenda and can shed some light on what's going on.

Hi Terrie,
Thanks for the invite to this Symposium. I see from the agenda that I am listed as a speaker. I did have one brief conversation a month ago or so about that possibility, but have heard nothing else since. Will more information be

provided soon about expectations, format, etc?

Thanks

Carl

Hello,

Attached please find an invitation to a Natural Gas Safety Symposium from Brigadier General (CA) Jack Hagan, Director of the California Public Utilities Commission's Safety and Enforcement Division.

The Symposium, titled *Forging a New Vision of Safety in California*, is May 7-8, 2013, in San Francisco. The attached letter of invitation and agenda provide more information, including how to register.

Thank you, and please let me know if you have any questions.
