Subject: Re: Scheduling on April 22

I also have interviews for my deputy director position that and Tues, so I hope I can still keep my HR appointment.

I am double checking to make sure Paul is ok with Kennedy.

This may all come together in the end.

I left a voicemail for Aaron but I also just realized that you will be coming to PG&E on Monday, April 22 to meet with our HR guru, John Simon, from 12-1:00. So you'll already be at PG&E! It's perfect.

Seems like it would work really well for you to meet with Tom Bottorff then or either before or after 12, while you are over here, right?

So I will try to work that out with Aaron when he and I are able to connect.

And I have emailed and called Lyn Sadler but haven't heard back.

I also emailed Kennedy just to find out if she was even available. No response, and I hope my computer isn't compromised because I was sending to her in China!
