Yes, seeing Tom is the priority

Kennedy is good to go from cpuc side.

Working on plan B for cpuc to pay Capt Bridges travel if you can't.

Off to the cherry blossoms.

It IS coming together! I see the light and its not the train headed our way.

We can reschedule the HRguy of course. Its most important that you and Tom talk that monday right?

Hope you get to see those cherry blossoms.

I also have interviews for my deputy director position that and Tues, so I hope I can still keep my HR appointment.

I am double checking to make sure Paul is ok with Kennedy.

This may all come together in the end.

I left a voicemail for Aaron but I also just realized that you will be coming to PG&E on Monday, April 22 to meet with our HR guru, John Simon, from 12-1:00. So you'll already be at PG&E! It's perfect.

Seems like it would work really well for you to meet with Tom Bottorff then or either before or after 12, while you are over here, right?

So I will try to work that out with Aaron when he and I are able to connect.

And I have emailed and called Lyn Sadler but haven't heard back.

I also emailed Kennedy just to find out if she was even available. No response, and I hope my computer isn't compromised because I was sending to her in China!
