Subject: Request for meeting

Loreen

I'd like to meet with you for about 30 minutes at your convenience over the next couple weeks to talk with you about new survey work that PG&E is doing along gas transmission rights of way throughout our service territory. Your office may get customer calls, and we'd like to provide some background information that may be helpful, and also establish points of contact should you need them.

Let me know what might work. Thanks

Laura
