Subject: RE: CPUC Natural Gas Safety Symposium Invitation and Agenda

This has been fixed. That is the great thing about this website is that we can make changes and they are immediate.

The good news is that the invitations went out! Yay Terrie!!

But the registration confirmation sheet still says "insert correct registration site" here or something like that.

Is there any way to fix that?

Subject: CPUC Natural Gas Safety Symposium Invitation and Agenda

Hello,

Attached please find an invitation to a Natural Gas Safety Symposium from Brigadier General (CA) Jack Hagan, Director of the California Public Utilities Commission's Safety and Enforcement Division.

The Symposium, titled *Forging a New Vision of Safety in California*, is May 7-8, 2013, in San Francisco. The attached letter of invitation and agenda provide more information, including how to register.

Thank you, and please let me know if you have any questions.
