Subject: IOU outreach to CCA/DAs before selection of 2014/2015 outreach consultant

Hi Sujata and Meredith,

Marin Energy Authority filed a protest yesterday to PG&E's Advice Letter 4203-E, which seeks approval of PG&E's 2013 cap and trade outreach and education activities (attached).

One assertion MEA made was that CCA/DA parties were not consulted by the IOUs (as directed in OP 12 of D.12-12-033) about the selection of the firm to evaluate 2014/2015 outreach activities.

It looks like D.12-12-033 required the IOUs to consult with DA/CCA parties regarding both the 2013 outreach programs (OP 11) and the selection of the firm studying 2014/2015 outreach programs (OP 12). Can you confirm what efforts the IOUs made to consult with DA/CCA parties regarding the selection of TargetBase?

Thanks,

Jason
