Subject:	LCC Tax Neutrality
Hi, Paul.	
President	ted to follow up from our conversation yesterday about your intent to talk with the Peevey about the LCC tax neutrality provision and whether a meeting with tiators of this term of the Stip was even necessary.
are in the to accept intent of t neutrality	lar, I understood you to say you would be talking with him about where we process and whether Mike would be able to give Frank the cover he needed the risks around whether our (PG&E and SC) current interpretation that the the Stipulation language and our current implementation approach around tax is satisfactorily within the four corners of the Stipulation or whether Mike eferred to Frank and Joel's interpretation.
Did you g	get the chance to discuss this with him?
Thanks,
