Subject: Workshop Notice -- Small-scale bioenergy: resource potential, costs, and FIT implementation assessment

To all parties on the service list for R.11-05-005:

Public Workshop Notice: Small-Scale Bioenergy: Resource Potential, Costs, and FIT Implementation Assessment

May 2, 2013
9:30 am – 4:30 pm

California Public Utilities Commission
505 Van Ness Avenue, Auditorium
(Corner of Van Ness Avenue and McAllister
Street)
San Francisco

-

BACKGROUND

In September 2012, Gov. Brown signed SB 1122 (Rubio) into law, creating a 250 MW set aside for small-scale bioenergy projects within California's Section 399.20 Feed-in Tariff (FIT) program. As part of its analysis to support the implementation of this new law, the CPUC's Energy Division has commissioned a study by consulting firm Black & Veatch that evaluates the resource potential and costs of SB 1122 eligible projects, in addition to providing an implementation assessment for SB 1122.

The DRAFT version of this study, released to the service list for R.11-05-005 on April 9, 2013, can be found online here: [Small-scale bioenergy: resource potential, costs, and FIT implementation assessment](#)

SCOPE OF WORKSHOP

The purpose of this workshop will be to give stakeholders the opportunity to provide feedback and input to improve the analysis included in the DRAFT version of this study. Stakeholder feedback and input from this workshop will be incorporated into a final version of this study, which will ultimately be used to inform an Energy Division Staff Proposal to implement SB 1122 at a later date.

A call-in telephone number and "gotowebinar" URL will be provided along with the workshop agenda and any other supporting documentation to the R.11.05.005 service list approximately 48 hours before the workshop.

For additional information about the workshop, please contact Adam Schultz at adam.schultz@cpuc.ca.gov or by phone at 415-703-2692.
