Laura, that should work for the General. I am forwarding him your email to let the General know.

OK great – he would normally take public transportation, right? What if I pick him up and take him back, to save time?

I could pick him up at 11:40 and then get him back by 1:30?

Hi Laura, the General has a meeting set at 1:30 pm. The person the General is meeting has a flight to catch after this meeting so it would be a good idea for the General to be on time.

Aaron

After he comes here on Monday at noon, what time does the General have to be back at the CPUC? We are just trying to budget meeting priorities with him!

Thanks

Laura
