**PART I: PROCEDURAL ISSUES**

(To be completed by the party ("customer") intending to claim intervenor compensation)

<b>A. Status as "customer" (see Pub. Util. Code § 1802(b)): The party claims "customer" status because the party (check one):</b>	<b>Applies (check)</b>
1. Category 1: Represents consumers, customers, or subscribers of any electrical, gas, telephone, telegraph, or water corporation that is subject to the jurisdiction of the Commission (§ 1802(b)(1)(A)).	
2. Category 2: Is a representative who has been authorized by a "customer" (§ 1802(b)(1)(B)).	
3. Category 3: Represents a group or organization authorized pursuant to its articles of incorporation or bylaws to represent the interests of residential customers, to represent "small commercial customers" (§ 1802(h)) who receive bundled electric service from an electrical corporation (§ 1802(b)(1)(C)), or to represent another eligible group.	X

<sup>1</sup> DO NOT CHECK THIS BOX if no finding of significant financial hardship is needed (in cases where there is a valid rebuttable presumption of eligibility (Part III(A)(3)) or significant financial hardship showing has been deferred to the intervenor compensation claim).

4. The party's explanation of its customer status, with any documentation (such as articles of incorporation or bylaws) that supports the party's "customer" status. Any attached documents should be identified in Part IV.

EDF is a non-profit membership organization engaged in linking science, economics and law to create innovative, equitable and cost-effective solutions to society's most urgent environmental problems. As an organization, EDF has been active in California on environmental issues since the 1970's, and has participated in proceedings on energy related topics at the California Public Utility Commission since 1976. During these proceedings EDF had provided extensive analysis on the development and use of market based instruments and principles for achieving combined environmental and economic success.

EDF is a non-profit organization organized under the laws and jurisdiction of New York. The Third Amended and Restated Bylaws of EDF, as amended through May 11, 2011 (the "EDF Bylaws"), state in Article I that a purpose and objective of EDF is to encourage and support the wise use of natural resources, and the maintenance and enhancement of environmental quality; and also to effect a joining of the best scientific findings with the most appropriate social action discovered by the social sciences and legal theory in order that practical decisions shall be made which shall best promote a quality environment. Please see Article 1 of the EDF Bylaws, attached hereto as Attachment 2.

EDF has more than 334,000 dues-paying members nationwide and over 56,000 in California. EDF's members in California are dispersed throughout the state and the majority of these are residential customers of Pacific Gas and Electric Company, Southern California Edison Company, or San Diego Gas and Electric Company. EDF participates in this distributed generation proceeding as a representative of these members and their interests in reducing the environmental footprint of the electric grid. Thus, EDF participates in this proceeding to achieve these results and to promote outcomes aided by the social sciences and legal analysis. Accordingly, this qualifies EDF as a Category C customer pursuant to Section 1802(b)(C) of the Public Utilities Code.

On Feb. 25, 2013, EDF was found to be a customer as defined in Public Utilities Code (PUC) Section 1802(b)(C). *See* R. 12-06-013, Order Instituting Rulemaking on the Commission's Own Motion to Conduct a Comprehensive Examination of Investor Owned Electric Utilities' Residential Rate Structures, the Transition to Time Varying and Dynamic Rates, and Other Statutory Obligations, Administrative Law Judges' Ruling on Notices of Intent to Claim Intervenor Compensation and Determinations of Eligibility to Claim Compensation, Feb. 25, 2013 (2013 Rates OIR Intervenor Compensation Decision) at 13-14.

Further, in 2010, EDF was found to be a customer as defined in PUC Section 1802(b)(C) and was awarded intervenor compensation for substantial contributions made to D.10-06-047. *See* R. 08-12-009, Order Instituting Rulemaking to Consider Smart Grid Technologies Pursuant to Federal Legislation and on the Commission's own Motion to

Actively Guide Policy in California's Development of a Smart Grid System, D. 10-12-014, December 2, 2010 at 2.

<b>B. Timely Filing of Notice of Intent (NOI) (§ 1804(a)(1)):</b>	<b>Check</b>
1. Is the party's NOI filed within 30 days after a Prehearing Conference? Date of Prehearing Conference: <u>March 13, 2013</u>	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/>
2. Is the party's NOI filed at another time (for example, because no Prehearing Conference was held, the proceeding will take less than 30 days, the schedule did not reasonably allow parties to identify issues within the timeframe normally permitted, or new issues have emerged)?	Yes <input type="checkbox"/> No <input checked="" type="checkbox"/>
2a. The party's description of the reasons for filing its NOI at this other time: N/A	
2b. The party's information on the proceeding number, date, and decision number for any Commission decision, Commissioner ruling, ALJ ruling, or other document authorizing the filing of NOI at that other time: N/A	

## PART II: SCOPE OF ANTICIPATED PARTICIPATION

(To be completed by the party ("customer") intending to claim intervenor compensation)

<b>A. Planned Participation (§ 1804(a)(2)(A)(i)):</b>
<ul style="list-style-type: none"> <li>• <b>The party's statement of the issues on which it plans to participate.</b> EDF intends to participate in this distributed generation (DG) Rulemaking in order to advance DG and net energy metering (NEM)-related rules and policies that will increase the penetration of DG onto the grid and promote competitive markets for DG. EDF, in addition to the PUC and California policymakers, recognizes that DG provides clean and reliable energy to Californians and that greater DG integration can reduce the environmental footprint of the electric system. This work is necessarily related to EDF's broader work in California, including work to promote smart grid-enabled environmental benefits.</li> <li>• <b>The party's explanation as to how it plans to avoid duplication of effort with other parties and intervenors.</b> The interests of the customers represented by EDF are unique, in that EDF's approach is to focus on market-based approaches and social science principles to achieve positive environmental outcomes. EDF, however, intends to coordinate its participation with other intervenors to ensure that EDF's efforts complement or supplement but do not duplicate the efforts of others.</li> <li>• <b>The party's description of the nature and extent of the party's planned participation in this proceeding (as far as it is possible to describe on the date this NOI is filed).</b></li> </ul>

EDF will provide specific recommendations as to the technical, legal and policy aspects of California's existing incentive programs for customer-owned distributed DG as they relate to the reduction of the environmental footprint of the grid and competitive markets for DG. EDF will also make specific recommendations as to the Commission's general consideration of policies for the development of cost-effective, clean DG, including those related to NEM. In order to make these recommendations, EDF will perform the necessary legal, social science, economic and policy analyses. EDF may address additional issues going forward as they arise.

**B. The party's itemized estimate of the compensation that the party expects to request, based on the anticipated duration of the proceeding (§ 1804(a)(2)(A)(ii)):**

Item	Hours	Rate \$	Total \$	#
<b>ATTORNEY, EXPERT, AND ADVOCATE FEES</b>				
Raya Salter	75	\$240	\$18,000	1
Jamie Fine	75	\$350	\$26,250	2
Steven Moss	50	\$350	\$17,500	3
David Miller	75	\$350	\$26,250	4
		<b>Subtotal:</b>	\$88,000	
<b>OTHER FEES</b>				
N/A				
		<b>Subtotal:</b>		
<b>COSTS</b>				
Estimated Expenses (postage, travel, copies)	n/a	n/a	\$500	5
		<b>Subtotal:</b>	\$500	
<b>TOTAL ESTIMATE \$:</b>			\$88,500	

It is difficult to estimate potential compensation with certainty. However, EDF expects to be a major participant in this proceeding and currently estimates a total budget of \$88,500. Note that rates are based on the intervenor compensation rates, by years of experience, for 2012 (Resolution ALJ-281) which are the most recent rates currently available. The EDF estimated budget is comprised of the following components:

#1: Raya Salter has been engaged in the practice of law for four years. She has an additional four years of experience working to educate communities about new technologies.

#2: Jamie Fine has over 20 years of experience working in this field, with over the last three years spent solely upon smart grid.

#3: Steven Moss has 20 years of experience working in utility regulatory processes.

#4: David Miller has 10 years of experience working in utility regulatory processes.

#5: Travel from the EDF offices to the Commission and meetings to coordinate with intervenors, copies, paper etc. is estimated to cost \$500.

The amount of any future claim to compensation is dependent upon the final decision in this proceeding. EDF will address the reasonableness of the hourly rates requested for its representatives in our request for compensation, if a request for compensation is filed.

When entering items, type over bracketed text; add additional rows to table as necessary.

Estimate may (but does not need to) include estimated Claim preparation time. Claim preparation (as well as travel time) is typically compensated at ½ of preparer's normal hourly rate.

**PART III: SHOWING OF SIGNIFICANT FINANCIAL HARDSHIP**

(To be completed by party ("customer") intending to claim intervenor compensation; see Instructions for options for providing this information)

A. The party claims "significant financial hardship" for its Intervenor Compensation Claim in this proceeding on the following basis:	Applies (check)
1. "[T]he customer cannot afford, without undue hardship, to pay the costs of effective participation, including advocate's fees, expert witness fees, and other reasonable costs of participation" (§ 1802(g)); or	
2. "[I]n the case of a group or organization, the economic interest of the individual members of the group or organization is small in comparison to the costs of effective participation in the proceeding" (§ 1802(g)).	
3. A § 1802(g) finding of significant financial hardship in another proceeding, made within one year prior to the commencement of this proceeding, created a rebuttable presumption of eligibility for compensation in this proceeding (§ 1804(b)(1)).	X
<p>ALJ ruling (or CPUC decision) issued in proceeding number: R. 12-06-013. See 2013 Rates OIR Intervenor Compensation Decision at 13-14.</p> <p>Date of ALJ ruling (or CPUC decision): Feb. 25, 2013.</p>	

B. The party's explanation of the factual basis for its claim of "significant financial hardship" (§ 1802(g)) (necessary documentation, if warranted, is attached to the NOD):
N/A

**PART IV: ATTACHMENTS DOCUMENTING SPECIFIC ASSERTIONS MADE IN THIS NOTICE**

**ADMINISTRATIVE LAW JUDGE RULING<sup>2</sup>**  
(ALJ completes)

<sup>2</sup> An ALJ Ruling needs not be issued unless: (a) the NOI is deficient; (b) the ALJ desires to address specific issues raised by the NOI (to point out similar positions, areas of potential duplication in showings, unrealistic expectations for compensation, or other matters that may affect the customer's Intervenor Compensation Claim); or (c) the NOI has included a claim of "significant financial hardship" that requires a finding under § 1802(g).

	Check all that apply
<b>1. The Notice of Intent (NOI) is rejected for the following reasons:</b>	
a. The NOI has not demonstrated the party's status as a "customer" for the following reason(s):	
b. The NOI has not demonstrated that the NOI was timely filed (Part I(B)) for the following reason(s):	
c. The NOI has not adequately described the scope of anticipated participation (Part II, above) for the following reason(s):	
<b>2. The NOI has demonstrated significant financial hardship for the reasons set forth in Part III of the NOI (above).</b>	
<b>3. The NOI has not demonstrated significant financial hardship for the following reason(s):</b>	
<b>4. The ALJ provides the following additional guidance (see § 1804(b)(2)):</b>	

**IT IS RULED** that:

	Check all that apply
1. The Notice of Intent is rejected.	
2. Additional guidance is provided to the customer as set forth above.	
3. The customer has satisfied the eligibility requirements of Pub. Util. Code § 1804(a).	
4. The customer has shown significant financial hardship.	
5. The customer is preliminarily determined to be eligible for intervenor compensation in this proceeding. However, a finding of significant financial hardship in no way ensures compensation.

**ARTICLE I  
NAME AND OBJECTIVE**

1. The name of the corporation shall be Environmental Defense Fund, Incorporated, hereinafter referred to as "Corporation."

2. The Corporation's mission is to preserve the natural systems on which all life depends. Guided by science, the Corporation designs and transforms markets to bring lasting solutions to the most serious environmental problems. Objectives that fulfill the Corporation's mission shall include the following:

(a) to encourage and support the wise use of natural resources, and the maintenance and enhancement of environmental quality;

(b) to pursue and to encourage others to pursue research relevant to the wise use of natural resources, and the maintenance and enhancement of environmental quality;

(c) to promote collaboration among scientific, economic and legal disciplines toward the advancement of environmental quality;

(d) to effect a joining of the best scientific findings with the most appropriate social action discovered by the social sciences and legal theory in order that practical decisions shall be made and solutions implemented which shall best promote a quality environment.

(e) to encourage public education on the problems of the wise use of natural resources and the maintenance and enhancement of environmental quality;

(f) to prevent, or to prevent the continuance of, environmental degradation by taking whatever legal measures are necessary to provide scientists fair and impartial forums in which their scientific findings may be presented objectively to their fellow citizens and tested through cross examination.

(g) to receive and administer funds for scientific, educational, and charitable purposes;

(h) to conduct and disseminate the results of research in furtherance of the wise use of natural resources and the maintenance and enhancement of environmental quality by all means not in violation of the laws of the United States or the State of New York or otherwise inconsistent with the provisions of the Corporation's Certificate of Incorporation;

(i) to the ends proposed above and contained within ARTICLE I, paragraph 2, to take and hold by bequest, devise, gift, grant, purchase, lease or otherwise, absolutely or jointly with any other person, persons, corporation or corporations, any property, real, personal or mixed, tangible or intangible, or any divided interest therein, without limitation to invest, reinvest or deal with the principal or the income thereof in such manner as, in the judgment of the trustees, will best promote the purposes of the Corporation without limitation, except such limitations, if any, as may be contained in the Certificate of Incorporation, the Bylaws, or any laws applicable thereto, and any limitations which might be contained in the instrument under which such property is received by the Corporation.

3. The Corporation shall be conducted as an “Exempt Organization” within the meaning of the provisions of Section 501 (c) (3) of the Internal Revenue Code of 1986, as amended (or the corresponding provisions of any subsequent tax laws from time to time in effect, sometimes herein referred to as the “Internal Revenue Code”), and the regulations promulgated thereunder, and no part of the activities of the Corporation shall be:

(a) carrying on propaganda, or otherwise attempting to influence legislation, so as to subject the Corporation to any tax imposed by Section 4911 of the Internal Revenue Code;

(b) directly or indirectly participating in or intervening in (including the publication or distribution of statements) any political campaign on behalf of or in opposition to any candidate for public office;

(c) objecting to or engaging in any activities which characterize it as an “action organization” as defined in Regulation 1.501 (c) (3)-1(c)(3) of the Regulations promulgated under the Internal Revenue Code; or

(d) operating any institution named in Article 14 of the New York Not-for-Profit Corporation Law or engaging in any activities which under said section would require the approval of any State or Local Board.

4. The property of this Corporation is irrevocably dedicated to scientific, educational and charitable purposes. The Corporation is not organized for pecuniary profit and no part of the income or assets of the Corporation shall be distributable to, or inure to the benefit of, its members, Trustees, officers or any other private persons, except that the Corporation shall be authorized to make reimbursements for expenditures and to pay reasonable compensation for services actually rendered to the Corporation.

5. The Corporation shall not have or exercise any power or authority, nor shall it directly or indirectly engage in any activity, which would prevent it from qualifying as an organization described in Section 501 (c) (3) of the Internal Revenue Code.

6. In the event of the dissolution of the Corporation and subject to the approval of a Justice of the Supreme Court of the State of New York, the Board of Trustees shall, after paying or making provision for the payment of all of the liabilities of the Corporation, distribute all assets of the Corporation to one or more organizations which are then organized and operated exclusively for scientific, educational and charitable purposes and are then qualified as organizations described in Section 501 (c) (3) of the Internal Revenue Code. If any assets so distributed on dissolution of the Corporation shall consist of real or personal property owned or used by the Corporation and having a situs in states other than New York, the use or disposition of any such assets shall be limited to the scientific, educational and charitable purposes set forth herein and in a manner as shall satisfy the requirements of the laws of any such other states for exemption of such assets from property taxation in such other states.

## **ARTICLE II BOARD OF TRUSTEES**

1. There shall be a Board of Trustees of the Corporation. The number of trustees shall be set by a majority vote of the entire Board and shall not be less than five.

2. A quorum shall exist when a majority of the entire Board is present at a meeting. Unless otherwise provided in these Bylaws, a majority vote of those present is necessary to approve any action of the Trustees.

3. Meetings of the Board shall be held at a time and place fixed by the Board of Trustees. All meetings shall be conducted in accordance with Robert's Rules of Order.

4. Special meetings may be called by any trustee upon written demand of not less than one-fifth of the entire Board. The Chairman of the Board shall call special meetings for extraordinary reasons when so authorized by one-fifth of the entire Board at such times and places as are specified by such members. For the purpose of obtaining such authorization, the Chairman of the Board may take a telephone poll of the trustees. A special meeting may take the place of an Annual Meeting if so authorized by a majority of the entire Board.

5. The process for recommendation, nomination, and election of trustees shall follow the schedule, sequence and procedure for election of Officers of the Board of Trustees set forth in Article III, subparagraphs 5(a)-(e). A person may be elected or re-elected to the Board of Trustees by a majority vote of trustees present at a meeting at which a quorum exists. The term of office of each trustee shall be three years, provided, however, that the Board may provide for election of trustees to terms of less than three years in order to have the Board of Trustees divided into three classes with terms expiring in staggered years. Each trustee shall hold office until the earlier of (i) the termination of such term due to removal, resignation, incapacity or death or (ii) the expiration of the term for which he is elected, and until his successor has been elected and duly qualified. A trustee may be elected to consecutive terms. Notwithstanding anything to the contrary contained herein and in addition to the foregoing procedures for the election of trustees, the Chair of the Nominating and Governance Committee, with the concurrence of the Chairman of the Board of Trustees, may from time to time

present to the Board of Trustees for its consideration, a candidate or candidates for nomination to the Board and, upon such recommendation, the Board may on no less than five (5) days prior notice to trustees, elect such candidate or candidates at a regularly scheduled meeting of the Board or by unanimous written consent.

6. The Board of Trustees shall meet at least two times per year and one of those meetings as designated by the Chairman shall constitute the annual meeting of the Board. The Board of Trustees shall have the following powers and duties:

- (a) to determine the broad objectives and policies of the Corporation and the means of implementing them;
- (b) to oversee the financial affairs of the Corporation, including the budget and the fundraising efforts of the Corporation;
- (c) to select new members of the Board;
- (d) to elect the officers described in Article III of the bylaws;
- (e) to create and appoint such standing and special committees as it may determine;
- (f) to hire and fire the President of the Corporation, who shall report to the Board; and the Treasurer of the Corporation based upon the recommendation of the President;
- (g) to approve litigation by or on behalf of the Corporation, or to delegate such function as it sees fit including to a Committee of the Corporation established by resolution of the Board;
- (h) to take such action as set forth in Article VIII.

7. Any action required or permitted to be taken by the Board or any committee thereof may be taken without a meeting if all members of the Board or the committee then serving consent in writing to the adoption of a resolution authorizing the action. The resolution and the written consent thereto by members of the Board or committee shall be filed with the minutes of the proceedings of the Board or committee.

8. Trustees shall avoid any personal conflict of interest with the policies, objectives, or activities of the Corporation. If such a conflict develops, it should be reported promptly to the Chairman of the Board of Trustees or to the Chairman of the Audit Committee. If necessary, the Chairman of the Board of Trustees or the Chairman of the Audit Committee, as the case may be, shall seek the advice of counsel. A trustee shall not vote on, or attend any Board discussion of, a matter as to which he or she has a conflict of interest.

9. Removal of a trustee from the Board shall become effective only after

- (a) due notice of reasons for removal is served; and

(b) a hearing is held which must be attended by at least a majority of the entire Board, during which the trustee is given due opportunity (as defined by a majority of the trustees present) to appear and answer charges against him; and

(c) a majority of the trustees present at the hearing recommends removal for reasons stated in a report to all trustees; and

(d) the Board by a three-fourth majority vote of the entire Board confirms the motion of his removal from the Board as a trustee.

(e) the trustee who is the subject of the proceeding shall not participate in the voting referred to in this paragraph.

10. Resignation of a trustee shall become effective upon receipt of written notice to that effect signed by hand and mailed to the Chairman of the Board of Trustees.

11. A person may be designated an Honorary trustee or an Advisory trustee by a majority vote of trustees present at a meeting at which a quorum exists. Honorary and Advisory trustees may attend meetings of the Board of Trustees but shall have no vote. The Board of Trustees shall determine a term of office for an Honorary or Advisory trustee at the time of designation. An Honorary or Advisory trustee shall serve until the earlier of (i) termination of such term due to removal, resignation, incapacity, or death, or (ii) the expiration of the term for which he or she was designated. An Honorary or Advisory trustee may be designated for consecutive terms.

12. Any one or more members of the Board of Trustees or any duly constituted committee thereof may participate in a meeting of the Board or any such committee by means of a conference telephone or similar communications equipment allowing all persons participating in the meeting to hear each other at the same time. Participation by such means shall constitute presence in person at such meeting.

13. Trustees shall receive no compensation for serving as members of the Board or any committee thereof, but may be reimbursed for expenditures reasonably incurred in the execution of their duties. Non-Board members serving on Board committees may be compensated for their services to the Corporation, but such members shall have no vote.

### **ARTICLE III OFFICERS OF THE BOARD OF TRUSTEES**

1. There shall be a Chairman of the Board of Trustees elected from among the trustees in accordance with and pursuant to paragraph 5 of this Article III. The Chairman of the Board shall:

(a) preside over meetings of the Board or designate a trustee to preside; and

(b) exercise whatever other functions shall be decided upon by a majority vote of the trustees present at a meeting.

2. There shall be a Vice Chairman of the Board of Trustees elected from among the trustees in accordance with and pursuant to paragraph 5 of this Article III who shall assume the functions and powers of the Chairman when the Chairman is absent from a meeting. If the Chairman and Vice Chairman are unable to attend a meeting of the Board, the Chairman shall designate a trustee to perform the function and powers of the Chairman. The Board may elect more than one Vice Chairman from time to time with such duties as the Board may determine.

3. There shall be a Secretary of the Board of Trustees elected from among the trustees in accordance with and pursuant to paragraph 5 of this Article III. The Secretary of the Board, with the assistance of the Corporation staff, shall:

(a) record or supervise the recording of the minutes of each meeting;

(b) provide each trustee and the President with a copy of the minutes within one month of the meeting. Each trustee present at the meeting may recommend approval of, or amendments to, the minutes by notice mailed to the Secretary. Such recommendations shall be considered at the next meeting; and

(c) designate a trustee to act as Secretary in his absence.

4. Removal of an officer from the Board of Trustees shall be accomplished by a vote and process as provided in Article II, paragraph 9.

5. The Officers of the Board of Trustees defined in this Article III shall be elected as follows:

(a) Prior to the February meeting of the Board of Trustees occurring during a year in which one or more new or renominated Officers of the Board of Trustees are to be elected pursuant to this Article III, the Chair of the Nominating and Governance Committee will solicit, from the Board of Trustees, recommendations for nominees to be considered for election as Officers of the Board of Trustees. The members of the Board of Trustees may then submit their recommendations for nominees to the Chair of the Nominating and Governance Committee no later than the end of such February meeting except as such time period may be extended from time to time in the discretion of the Chair of such Committee
