I know it's late for an invite and Mike is probably out of town but I'm sending it anyway

Brian, As you know, we are hosting another event, the Energy Star Award recognition on Monday 4/29. Tony Early, Senator Udall, and Jared Blumemfeld will be there. We had intended to invite the Commissioners and their advisors. As is customary, the event is in our auditorium and we are serving cupcakes. I defer to your judgement on how/if to communicate this to them. We just want them to know we won this prestigious award. Thanks, Jana

Jana – I believe Sid is out of the office all this week and we have him on point to get invitations for the Energy Star event to CPUC Commissioners and their Advisors. Can you send the request to Brian to see if he can extend the invite? The invite is at the bottom of this e-mail.

Thanks,

Marisa

Hello All,

I have received very few RSVPs to date. Can you please verify that you have sent the invitations and/or follow-up with your invitees?

Thanks so much,

Kari
