GAS PIPELINE EXPENSE AND CAPITAL BALANCING ACCOUNT (GPECBA) (N)

4. ACCOUNTING PROCEDURE (Cont'd.) (N)

I. CPUC Reimbursement Subaccount

The following monthly entries shall be made to this subaccount, as applicable:

- a. A debit entry equal to the reimbursements the CPUC or others designated by the CPUC;
- b. A credit entry to transfer the annual balance to the CFCA and NCA at 59.5% and 40.5%, respectively, for recovery in rates;
- c. A debit or credit entry equal to the interest on the average balance in the account at the beginning of the month and the balance after the above entry, at a rate equal to one twelfth of the interest rate on three-month Commercial Paper for the previous month, as reported in the Federal Reserve Statistical Release, H.15, or its successor.

II. Program Expense and Capital Subaccount

The following monthly entries shall be made to the subaccount, as applicable:

- a. A credit entry equal to one-twelfth of the annual revenue requirements, excluding the allowance for Franchise Fees and Uncollectible Accounts expense (FF&U), adopted in D.12-12-030, and any amounts subsequently authorized by the Commission;
- b. A debit entry equal to the actual expenses incurred for PG&E's Implementation Plan, including benefit burdens, SUBJECT TO THE LIMITATIONS DESCRIBED ABOVE;
- c. A debit entry equal to the actual capital revenue requirements based on actual depreciation expense, the return on investment, federal and state income taxes, and property taxes associated with the in-service (after date of operation) capital costs incurred for Phase 1, and any subsequent phases of PG&E's Implementation Plan as authorized by the Commission, excluding FF&U, SUBJECT TO THE LIMITATIONS DESCRIBED ABOVE;
- d. A debit entry to transfer any credit balance at December 31, 2014, to the Core Gas Pipeline Safety Balancing Account (59.5%) and Noncore Gas Pipeline Safety Balancing Account (40.5%);
- e. A debit or credit entry equal to the interest on the average balance in the account at the beginning of the month and the balance after the above entry, at a rate equal to one twelfth of the interest rate on three-month Commercial Paper for the previous month, as reported in the Federal Reserve Statistical Release, H.15, or its successor.
