Steven:

I appreciate it very much. I was wondering, given I will be in Bay Area next Tuesday, if it would be possible to go by your place to meet Larry & company. My window is 2pm to 4pm if that works for you.

Just a stop by and meet/greet. Wanted to bring a friend along as well given our interest in energy efficiency/clean air.

Let me know if this works.

Dean,

We haven't met but I run the Customer Energy Solutions team here at PG&E, including all of our EE programs. By this email, I'm going to ask Larry Goldstein, our Director of Channel of Engagement in EE, to reach out to you. He has the overall lead on the IDEEA365 program.

Best,

Steve Malnight
Vice President, Customer Energy Solutions
