Subject: Re: R.12-06-013 - Errata (filing) version of TURN's proposal (Email 1 of 2)

Parties to R.12-06-013:

Attached please find the errata version of TURN's proposal, which is being filed today. Please replace yesterday's version with this document, which

has slightly different pagination. TURN made the following revisions to the document served yesterday:

.

1) Clean Up edits

* Minor edits in text (typos, multiple words, etc.)* Font change to headings and formatting corrections

* Update Table of Contents and List of Tables and Figures

* Replace Figures 2, 3, 5 with same figures of better (legible) quality

* Renumber Attachments to correspond to text

2) Technical changes:

* Replace ³two times the average² with ³average² on p. 3

* Insert new Table 1 in Sec. 1.1 with data from pre-existing Table in Sec.

3.2

* Insert new Table 2 in Sec. 1.1 with data from pre-existing Table in Sec.

3.4

We apologize for any inconvenience, especially to parties who may have printed out yesterday's version. There are no substantive changes, but we recommend using this version due to the substitution of more legible figures.

Due to file size, there will be a separate email with the attachments (which are unchanged, but have been renumbered to correspond with the text).
