Thanks. Broke my back jumping off the roof of my house when I was 8. Don't ask why I did that.....and it finally caught up with me. Replacing 2 discs and then fusing the spine with a bit of titanium here and there. I'll be fine. If not, it creates lots of job opportunities here !

Holy cow. Good luck with that. I had no idea. Will that eventually be a plus (as in, lower pain level)?

We'll send you good vibes on a quick recovery.

Joe Ronan and Alex Makler are incapable of doing that. I will be recovering from Spinal Fusion surgery (I get operated on Monday) throughout the month of May so take your time.
